

Archway Control, LP

Process Control & Instrumentations

Specialty: Instrumentation and Control Installation, OEM Fabrication & Repair Consulting

HART Commination Technology

DevCom2000 Smart Device Communicator software for a PC

DevComDroid Smart Device Communicator software for Android

Bluetooth HART Modem Battery Powered, USB HART Modem, Isolated, RS232 HART Modem, Isolated

[DevCom2000 Advantages](#) - Advantages of DevCom2000. Ask us about our **PowerPoint Presentations**

Replace your 475, 375 communicator with ProComSol DevCom products and enjoy major savings!

Tubing Fitting

Tube Fittings are manufactured to be Totally "interchangeable" With Swagelok® tube Fittings. Piece by piece examination reveals that the two brands are totally intermixable components. **Providing 20 to 30 % saving to the competition!**

Valve Products

- **Control Valves and Regulators**

CVS Valves, Regulators and Instruments (**e-body and V-100**)

BelGAS, regulators, Marshalltown Gauges, Industrial Thermometer & wells

Fisher Controls * New and Reconditioned. Valves, regulators, instrument and controls

- **Flow Line & ABZ**

High Performance Butterfly Valves

Triple Off Set High Performance Butterfly Valves

Manual Gear operated Valves

Automated Valves

Soft Seated Valves

Metal Seat Valves

Fire-Flow Valves

Knife Gate Valves

- **Flow Line, Quadrant, Prince**

Resilient Seated Butterfly Valves

Check Valves

Electric & Pneumatic Actuators

- **Hancock, Yarway**

T & Y pattern Globe stop valves

High integral Stellite hard facing on body and disc seating surface

- **Quadrant, J-Flow**

Seal-welded Ball Valves

ASME B16-34 & API 608 Compliant seal-welded Valves

- **Cameron, Grove, Neway, ABZ**

Trunnion Mounted Ball valves in full accordance with API 6D specifications.

Measurement Systems

- **Micro Motion** (New, New surplus and Recondition in stock and ready to ship.)
Mass Flow Measurement
Batch and Custody Transfer specialty equipment
Batch system design and installation. Call us for you application needs!
- **Rosemount** (New, New surplus and Recondition in stock and ready to ship)
OEM, systems and control solutions. Call us for you application needs!

Actuators

Flow Line Pneumatic, Electric, Rotary, and linear

QRTCO Pneumatic 316 Stainless Steel, Offset Cylinders

Quadrant - Pneumatic, Electric, Rotary, and Linear

(Direct Replacement for Bettis RPC series that is no longer made)

- **Valve Position Transmitters and Limit Switches**

BLX, Fisher Controls*, KyTronics, and PMV

- Digital Positioner
- I/P Valve Positioner
- Pneumatic Valve Positioners
- Limit Switch
- Wireless Product

Flow Line, Moniteur

- Sentinel – Explosion Proof
- Watchman – General Purpose
- Survivor – Corrosion Resistant
- Valve Networking, ASInterface, DeviceNet interface Modules, Foundation Fieldbus
And Profibus Solutions.

Valve Repair Services Hydraulic Repair Services Pump Repair Services

Remanufactured Valves and Instruments

Fisher*, Dezurik, Jamesbury, Cashco, and Koso Hammel Dahl

ABB, Rosemount, Foxboro, Honeywell, Moore, & Siemens

TYCO, Keystone, Venessa, Valvtron, Yarway, Kitz, KTM, Velan, EG&G, SEALOL

Eagle, Friatec, Krombauch

- **Machinery Setting, rigging, relocation and storage.**
 - If you need equipment move, stored or relocated we can help!
- **Motors, Variable Speed AC Drives**
WEG Allen Bradley Toshiba and Hitachi
 - Motors and Motor controls
 - Drive Accessories
 - DC Chocks
 - AC Line Reactors
 - RF Filters

Winco Generators

Winco Redi-Power mobile diesel generators

Winpower Diesel was founded in 1925

Winco PTO Generators since 1927

Winco Emergency Standby Generator

Archway Control, LP supplies additional product for various instrumentation and control applications. Please consult our sales staff for whatever equipment needs you may have.

CAT and F. G. Wilson

Reconditioned and Once used unit at a fraction or the cost of new.

All our units are sold with warranty and our service and back up for every unit we sell.
